BRIEF ITINERARY

The Bandaje Falls trek, also known as Bandaje Arbi trek, is a thrilling two-day adventure through the scenic Western Ghats of Karnataka. The trail begins near Sunkasale or Ujire and winds through dense forests, open grasslands, and the ancient Ballalarayana Durga Fort, offering panoramic views of the surrounding hills. The highlight of the trek is the breathtaking Bandaje Falls, where water plunges nearly 200 feet into the rocky valley below, creating a serene and misty atmosphere. With moderate difficulty and diverse terrain, it's an ideal getaway for nature lovers and adventure seekers. We at Karavan Treks organize this unforgettable weekend experience, ensuring a safe, guided, and memorable journey into the heart of the Western Ghats.
