Eramai Waterfalls

Didupe falls

Charmadi ghat

Everyone loves to travel, visit exotic places, get lost in the nature and want to relax from the routine, but most of us are unaware of the places and don't have a proper plan to visit them. There are several trekking trails in the western ghat region of Karnataka, and a weekend is more than enough to visit and explore them with minimal plan. Here we have a Two-day itinerary for you to the most popular trail of all, Didupe falls.
